Tutorial 0

Click the blue highlighted text to expand and show pictures for each step! :)

Step 1:

Step 2:

Step 3:

Step 4:

Step 5 **IMPORTANT**:

Step 6:

Step 7:

Step 8-9:

You could also do the same for the 'Profile' version if you wish! (this will create orxp.dll and orxp.lib

for later steps)

Step 10:

Step 11:

Good luck!
