# Add a Timeline Track to an Object using Code

## Code

```
orxOBJECT *dummy =
orxObject_CreateFromConfig("BringUpGameOverTimelineObject");
orxObject_AddTimeLineTrack(dummy, "BringUpGameOverTimeline");
orxObject_EnableTimeLine(dummy, orxTRUE);
```

## Config

```
[BringUpGameOverTimelineObject]

[BringUpGameOverTimeline]
2.0 = "ShowGameOver"
```
